BENEFITING THE BRYAN MUSEUM

ABOUT THE BRYAN MUSEUM:

Established in 2015, The Bryan Museum brings to life the diverse stories of the individuals who lived and explored Texas and The American West. J.P. Bryan, the museum's founder and historical preservationist, acquired and restored the building and grounds of the historic former Galveston Orphans Home and opened the museum to the public in hopes of teaching, sharing, and preserving our unique history. More than 70,000 works of art

and artifacts span 12,000 years of history, highlighting the lives of indigenous peoples, Spanish and French explorers, and frontier pioneers. The museum uses its collections to encourage visitors, researchers, and students of all ages to ask important questions, share new ideas, and understand how the decisions they make today will affect future generations.

ABOUT THE DELEGADOS:

The Delegados are an advocate board who support the Museum's mission by acting as prominent ambassadors for the preservation of our remarkable history. They share their networks and host social and fundraising events throughout the year that benefit the museum and promote its vision.

ABOUT THE EVENT:

The Bryan Museum's Delegados Advocate Board invites you to the 2026 Come and Take It Poker Tournament and Casino Night! Guests will enjoy a full night of amazing prizes, top shelf libations, and networking while playing poker with friends and colleagues. Non-poker playing guests have a chance to bet their luck inside the casino!

YOUR IMPACT:

Your sponsorship provides direct support for students and educators across Texas by funding hands-on history programs, writing and art contests, exhibitions, workshops, lectures, traveling exhibits, and classroom-ready curriculum.

Because of you, students don't just read about Texas history, they experience it, engage with it, and connect it to their own lives. Your investment helps The Bryan Museum expand partnerships with schools, museums, and community organizations throughout the Greater Houston area, ensuring more learners of all ages have access to meaningful educational opportunities that strengthen literacy, critical thinking, and pride in our shared Texas story.
