Align your brand with the exciting evolution of one of The Bryan Museum's signature events. **Art Untamed returns with a bold new vision**, bringing together Western art, culture, craftsmanship, and community to celebrate the beginning of Houston's rodeo season.

Starting in mid-December, a curated collection of fine art, sculpture, jewelry, custom boots, leatherwork, and other exceptional works will be featured in the Art Untamed Online Auction. Sponsors will receive valuable brand awareness on the event webpage, social media and day of recognition.

On Thursday, February 11, Art Untamed comes to life at Houston's iconic Bell Tower on 34th. Guests will enjoy live music, cocktails, artist demonstrations, and silent and live auctions including exclusive Bryan Museum collectibles and handcrafted works.

Your participation makes this extraordinary blend of tradition and creativity possible while helping to champion artists whose vision keeps Western culture alive, dynamic, and relevant. Together we can inspire the next generation to see their own creativity as part of our living historical heritage.
